

Victoria Trabosh
LEADERSHIP BUILT
ON WISDOM

Executive Coach, Influential Speaker, Author

Leading Well and Communicating Effectively

Victoria knows that everything rises and falls on leadership. That how you do anything is how you do everything. Her work centers on improving communication skills which creates more effective leadership. When we remember what we have accomplished, those most challenging moments in our lives, the present circumstances often have a clearer perspective, and the wisdom that got us through past challenges takes us through the current and future challenges.

Topics Victoria covers in her keynotes, workshops, and seminars include:

- Leading with Humanity - how leaders changed during COVID
- Creating Great Presentation Teams to Make Millions
- The Elegant Leaders - What All Great Leaders Know
- Communication and the Platinum Rule
- Brick by Brick: Lessons Learned From the Women in Rwanda

Victoria is an internationally sought after speaker. A partial list of speaking venues include:

- The Purdue Women's Conference
- The Raymond James Women's Conference
- Kuni Automotive
- US Bank
- Vesta
- Osher Institute Symposium
- TEDx Speaker 2018
- International Coaches Association
- University of Washington Women's Center
- Leadership America
- United Nations

Victoria serves as an executive coach and advises top-tier organizations known in their respective fields for excellence.

She received her Masters in Anthropology and Archeology at Harvard University Extension School in March 2023 and graduated with distinction.

For her, learning is a continuous process. She is a multi-media personality and currently serves as a columnist for Choice Magazine. With dozens of TV and radio interviews, she seeks to influence others and to understand rather than be understood.

Co-founder and president of a not-for-profit, her philanthropy is an integral part of all she does.

Author of two books she believes we get the most from giving to others.
