

TEDX Speaker | Author | Columnist

Victoria understands that overcoming obstacles is not only achievable, but she has a formula to share. She is recognized for her humor, compelling stories, and thought-provoking insights, and she shares her knowledge with kindness, humor, and wisdom. Her message is hard-earned and based on real-world corporate and entrepreneurial experiences.

Renowned for her expert facilitation skills, her ability to connect with audiences worldwide, and her focus on being more interested than interesting, her primary goal is to make a positive impact on the world through others. Her greatest objective is to change the world through others.
